APPLICATION FOR PET LICENSE(S)

State and County law requires that all dogs and cats be vaccinated at the age of three (3) months.

Rabies vaccine must be given by a licensed Veterinarian.

- License(s) are due and payable when:
- (1) Pets reach the age of 4 months (SMC 6.04.090)
 - (2) Acquire a new dog/cat, or
 - (3) Become a new resident in the city.

License(s) becomes delinquent 30 days thereafter. Valid dated rabies certificated from a licensed.

Veterinarian must be presented for rabies vaccination and certificate for proof of spay/neuter.

(Pet licenses are only good for the life of the rabies vaccine and cannot be purchased for longer)
